News & Notice:
all notices and news about school will show here.

Click on any news to see it in details

Attendance and Leave: This will show student attendance and Leave status from the school records.

The screenshot shows a mobile application interface for 'HomeWork'. At the top, the status bar displays the time 21:32 and various system icons. Below the status bar is a teal header with a back arrow and the title 'HomeWork'. The main content area lists three homework items, each with a date, subject, and description:

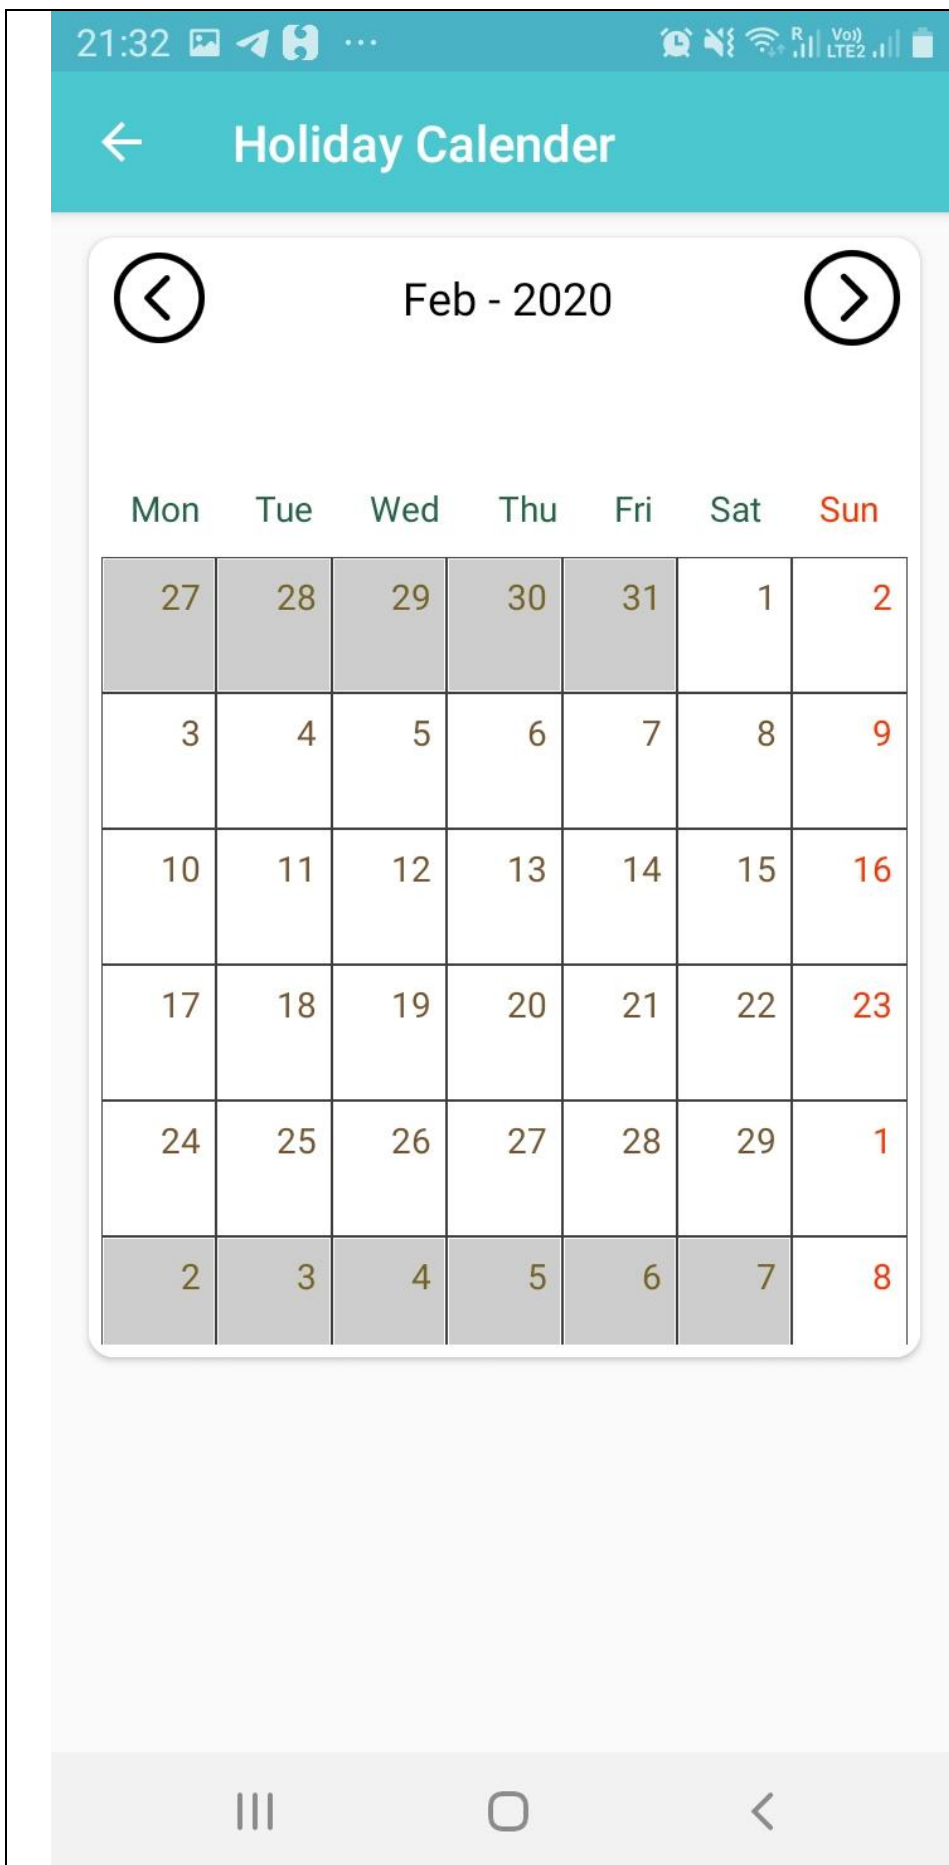

Date	Subject	Description	Action
Apr 11	Hindi	Question 1: ... गन्ना ज़मीन के ऊपर उगता है!	>
Apr 12	Hindi	check it	>
Mar 16	Mathematics	please prepare	>

At the bottom of the screen, there is a navigation bar with three icons: a vertical bar, a circle, and a left-pointing arrow.

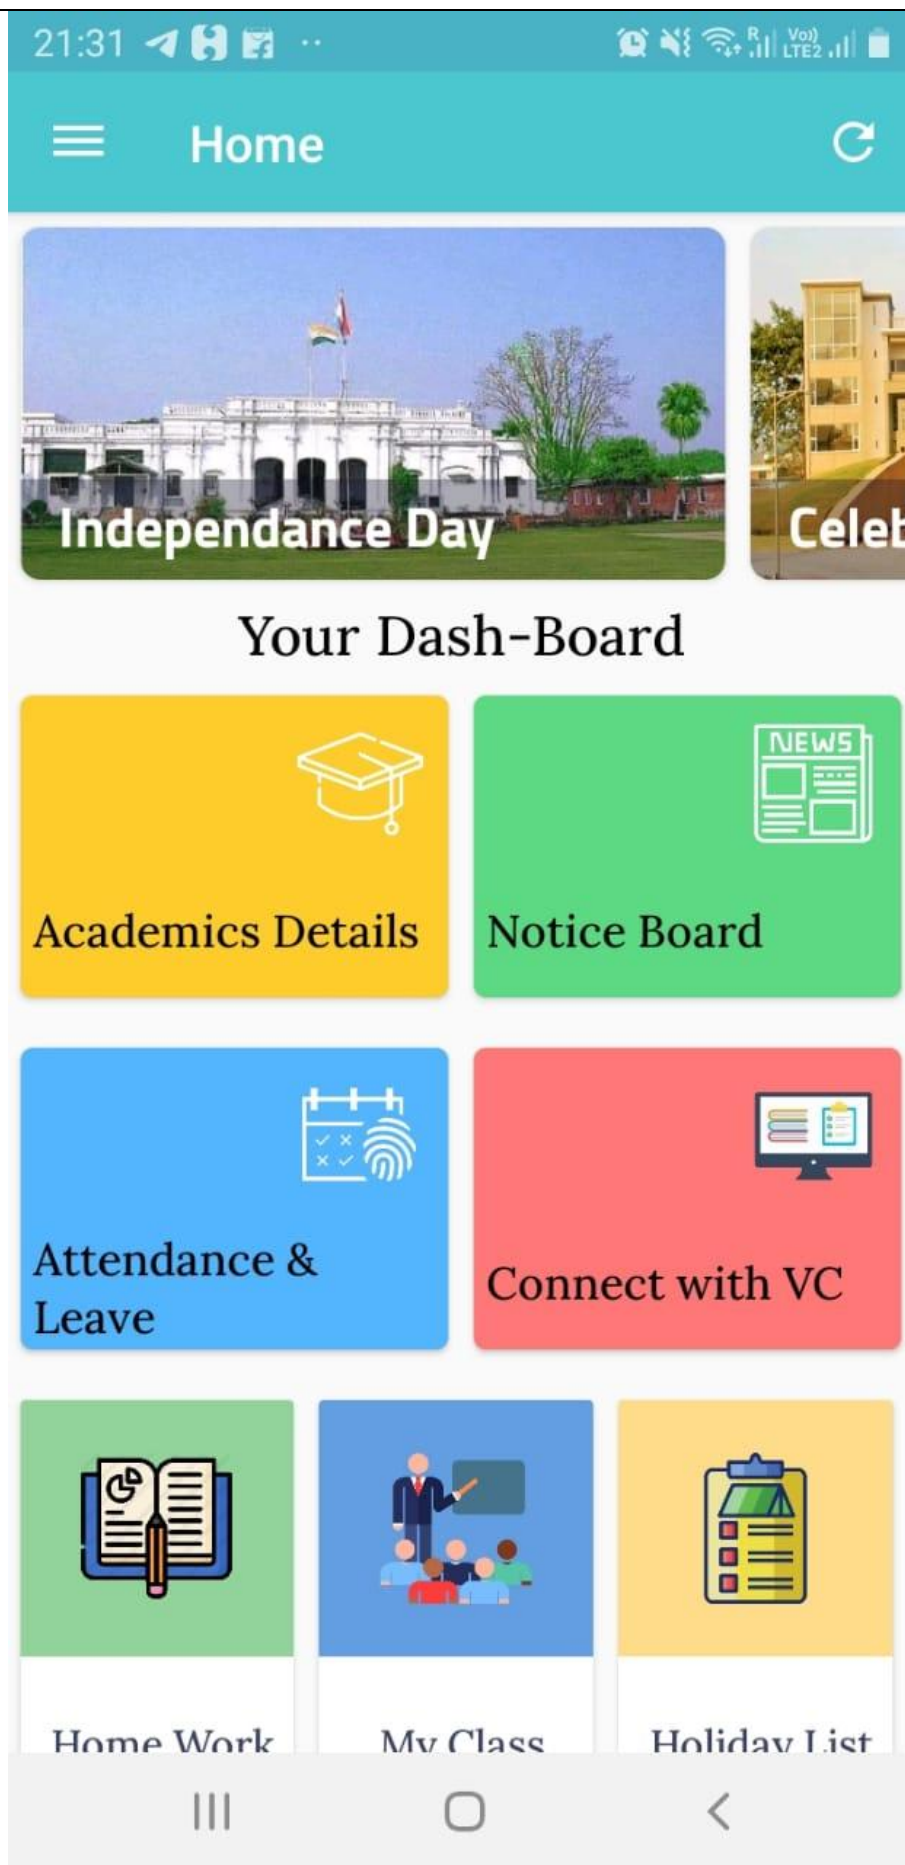

Home Work:

Students can see all the details of the home work date wise here.

Click on the homework to see more details

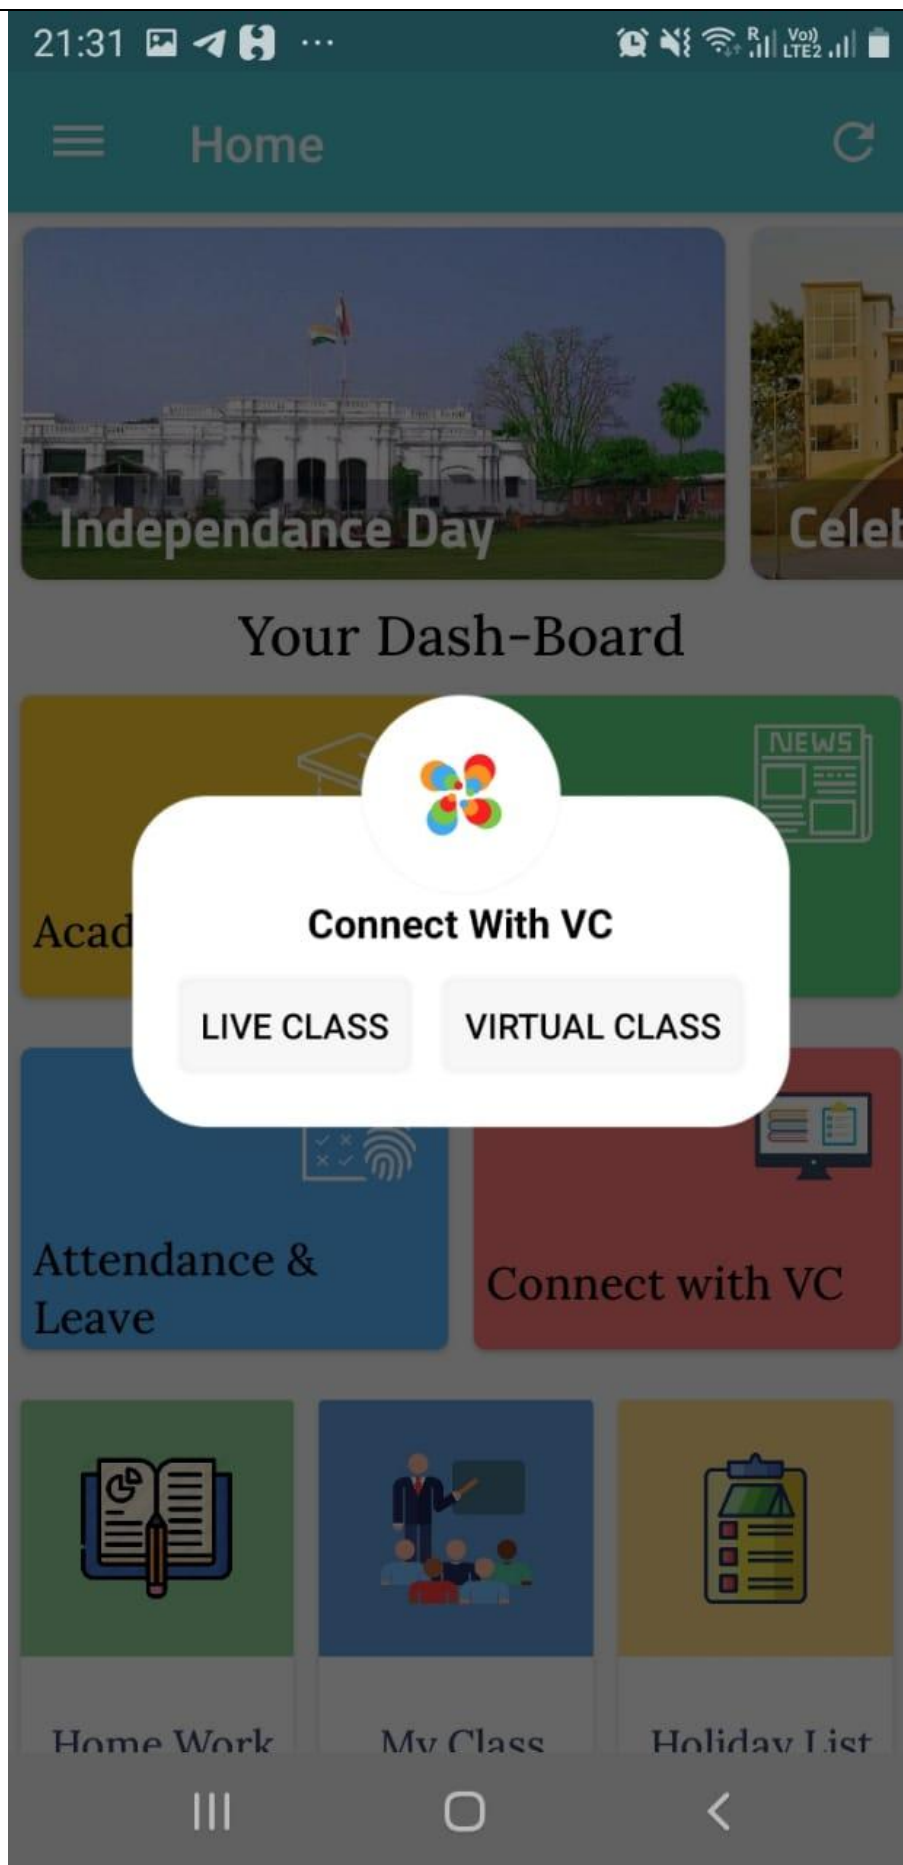

Holiday Calendar : it will show the holiday list of the school

Connect to VC. :

Student will study by connecting with Virtual classes,

To join virtual classes, click on the tab.

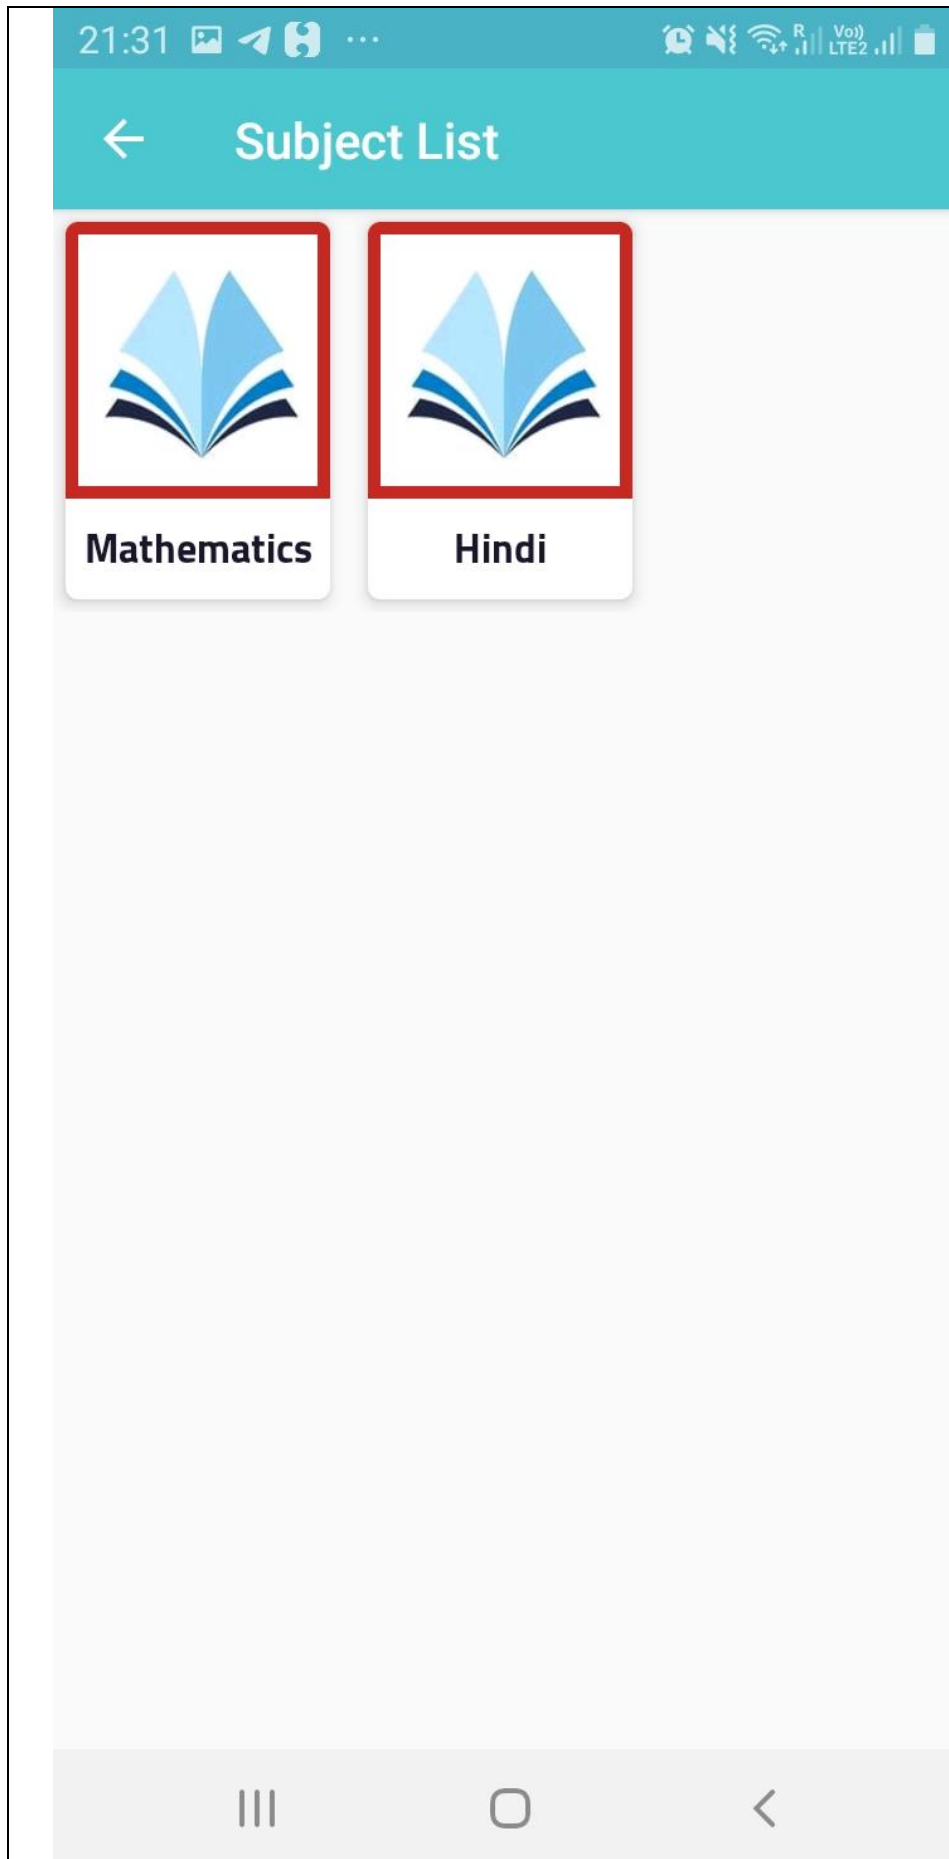

On click of virtual classes, the option will be asked for

a) Live Class

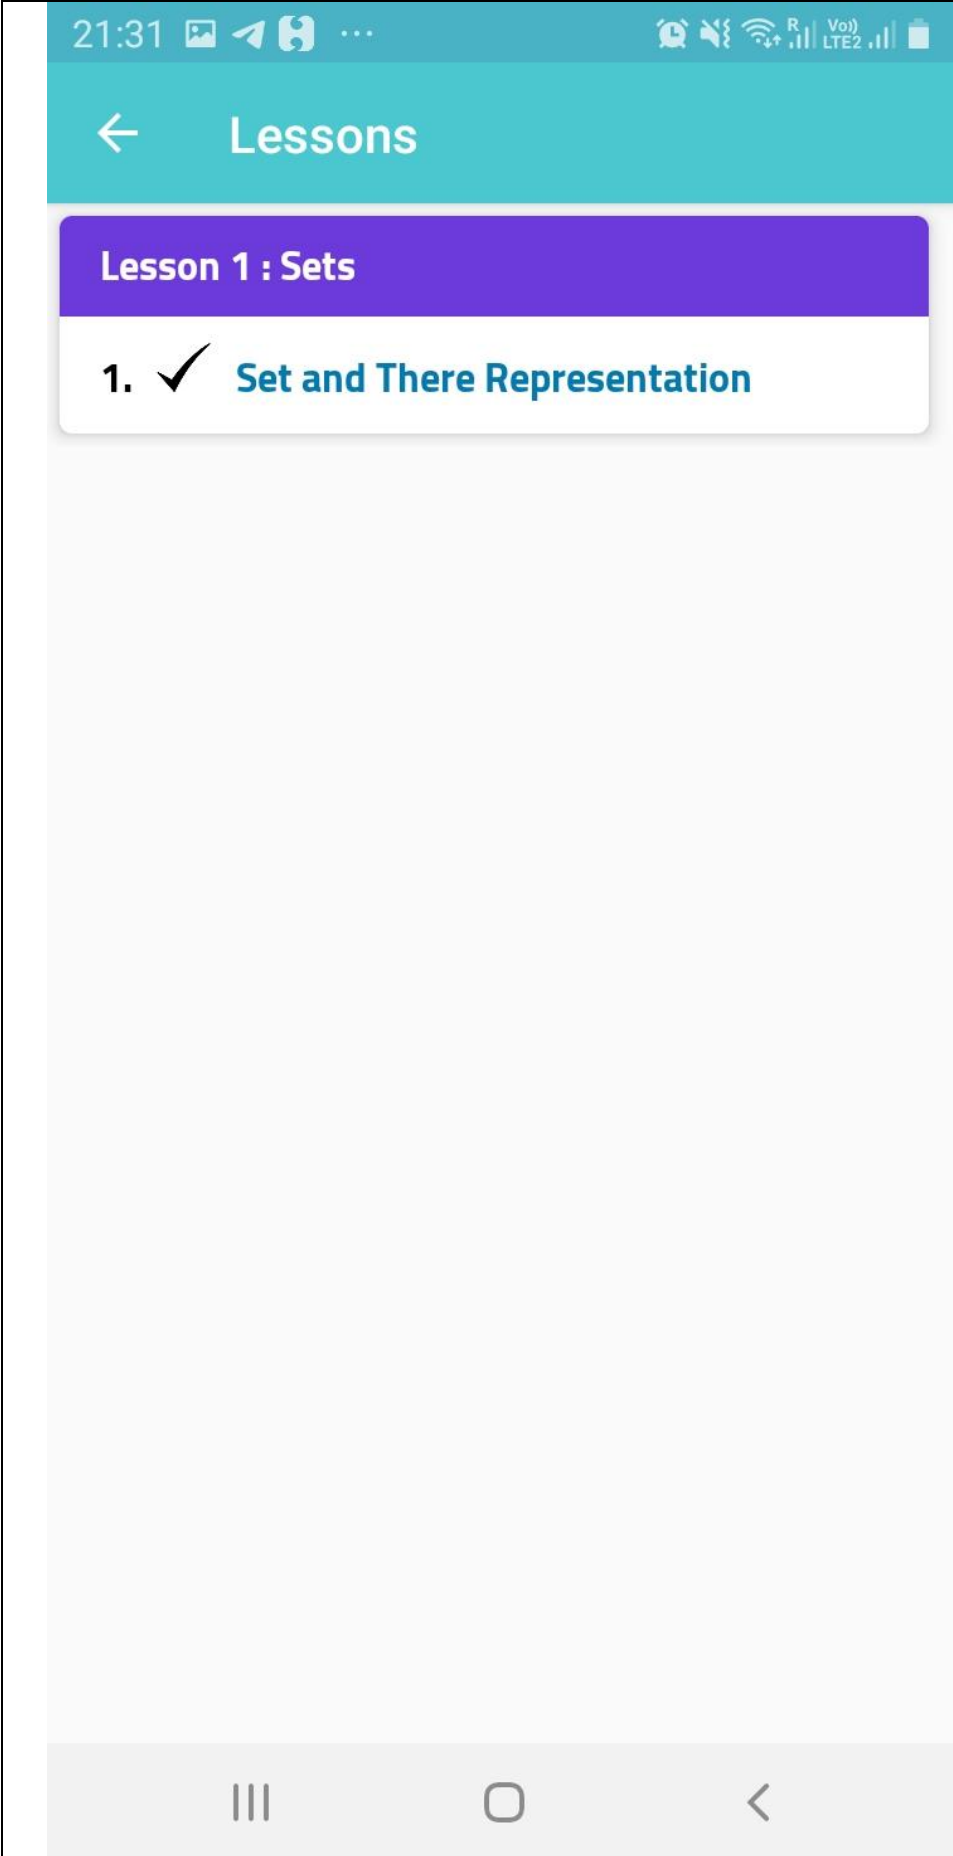

In live class teacher will teach you on live video. You will get notification when teacher will be live.

b) Virtual Class

in the virtual class notes in form of text, audio, video, document is listed as per subject, lesson and topic wise so that student can read oneself without the teacher.

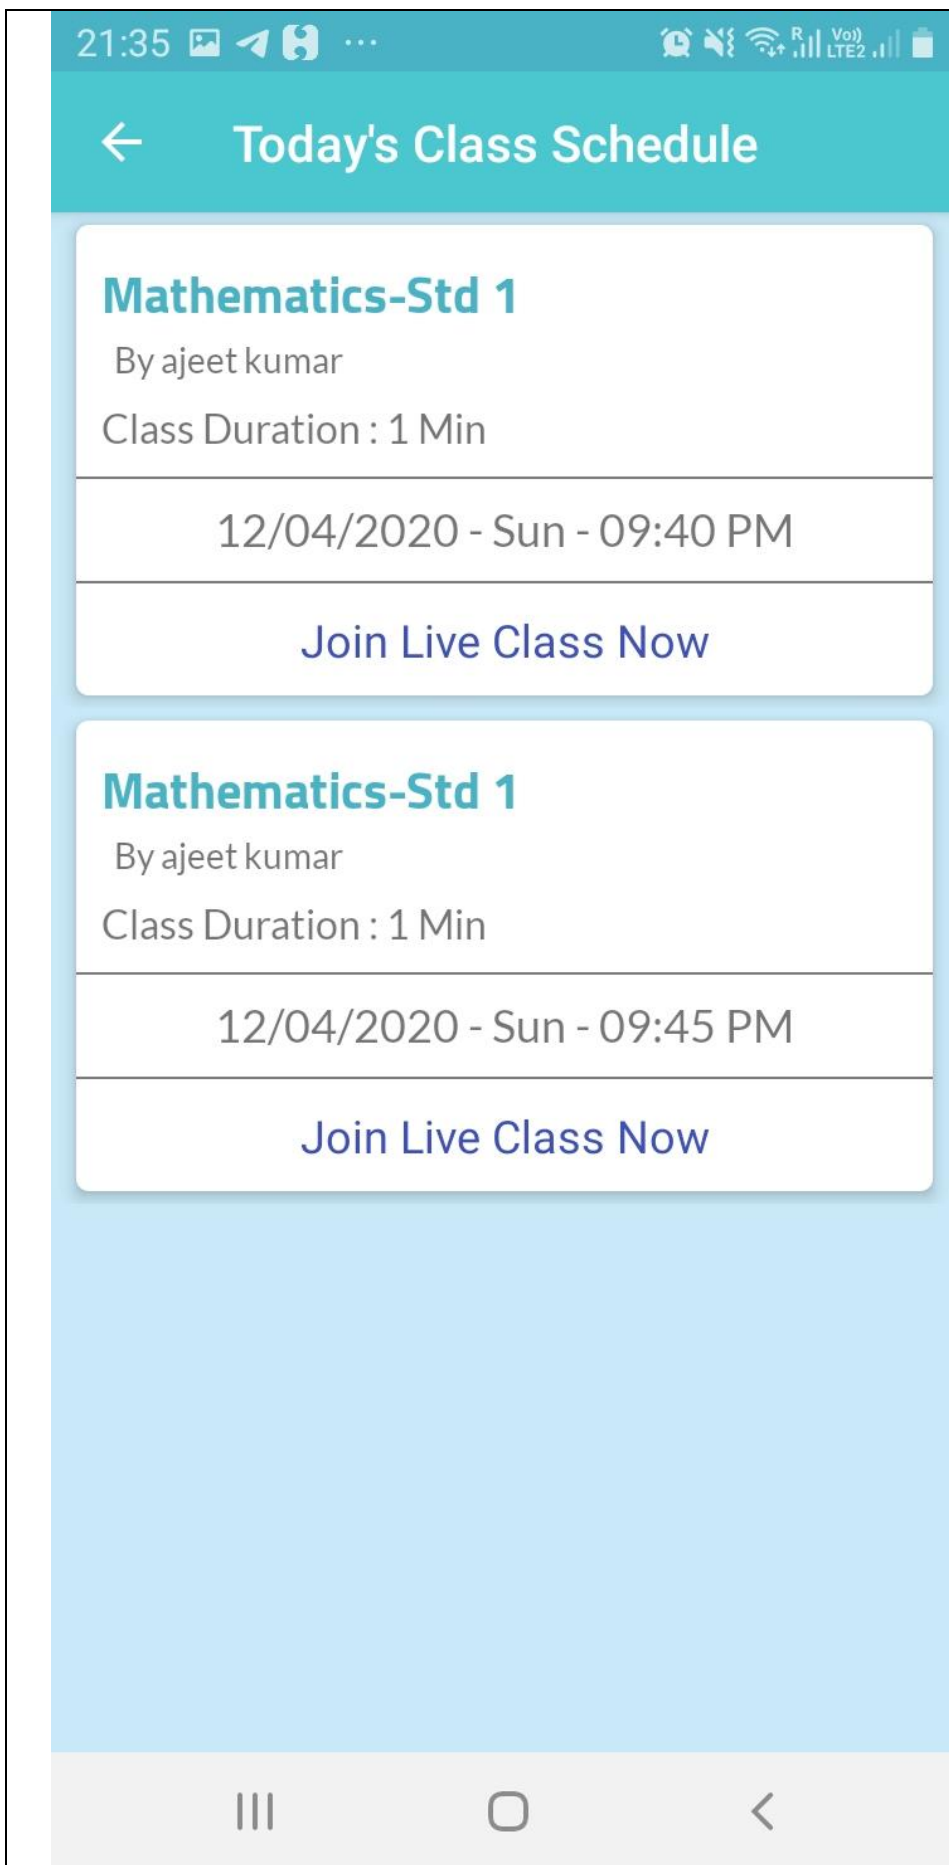

When you select **Virtual Classes** then all subject will be listed and you can select the subject you want to read.

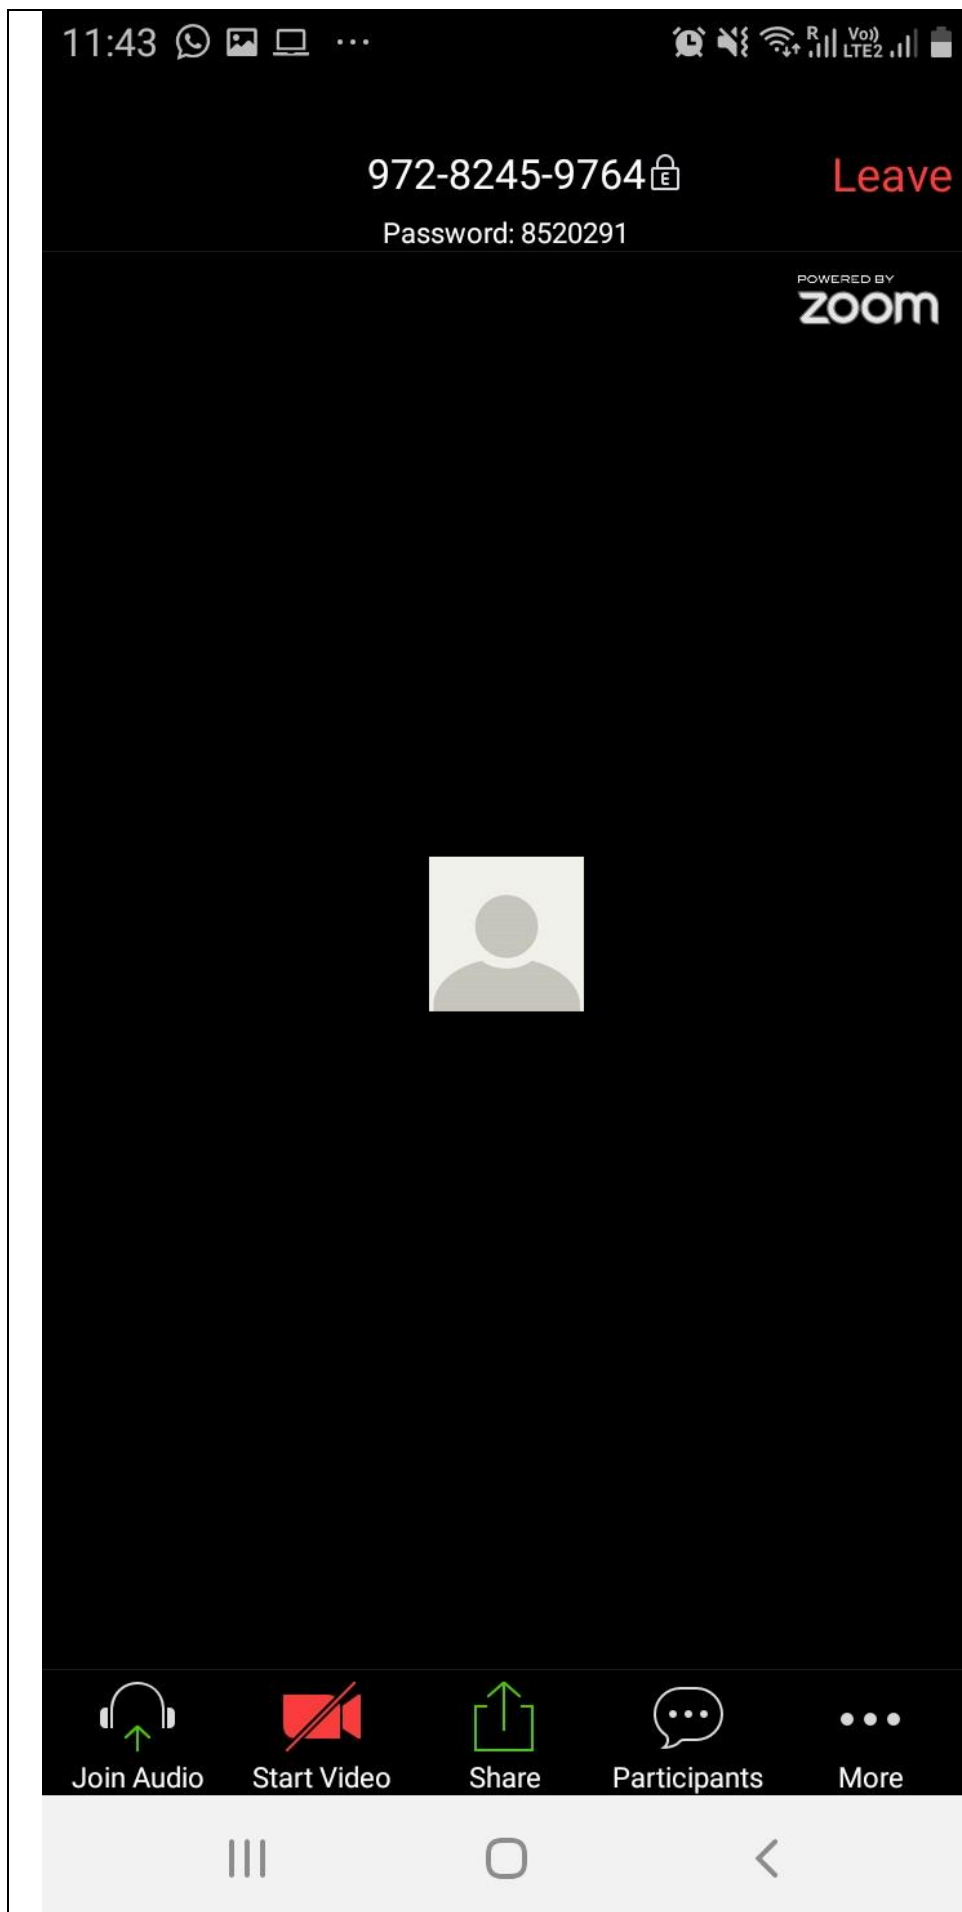

The screenshot shows a mobile application interface. At the top, the status bar displays the time 21:31, signal strength, Wi-Fi, and battery icons. Below the status bar is a teal header with a back arrow and the text "Lessons". Underneath the header is a purple bar with the text "Lesson 1 : Sets". Below the purple bar is a white box containing a list item: "1. ✓ Set and There Representation". The bottom of the screen shows the Android navigation bar with three icons: a square, a circle, and a triangle.

After selecting the class you will see the list of lessons, select any lesson to start reading.

When You click the live classes if any classes will be live it will be listed here and you have to just click the join Live class Now to hit the button.

This is your live screen you can do various things here

1. **Leave** : to leave the class click here
2. **Join Audio**: this is in the bottom menu which will appear when you tap on the screen. Click here to turn on or off your audio. Since you are a Student make sure audio is always on.
3. **Start Video**: to show yourself start your video, since you are a **Student you may be off video if the net is not good**
4. **Share**: Don't share until your teacher asks to do so
5. **Participants**: you can see all participants here
6. **More**: it has several utility options
